DETAILED ACTION

Response to Amendment

1. The amendment filed on 8 October 2008 has been accepted and entered. Claims 3 and 9 have been cancelled.

Response to Arguments

2. Applicant has amended without entering arguments, see amendment, filed 8 October 2008. In view of the presently amended claims, the rejection of 1, 2, and 6-10 has been withdrawn.

Information Disclosure Statement

3. The listing of references in the specification (pp 5-6) is not a proper information disclosure statement. 37 CFR 1.98(b) requires a list of all patents, publications, or other information submitted for consideration by the Office, and MPEP § 609.04(a) states, "the list may not be incorporated into the specification but must be submitted in a separate paper." Therefore, unless the references have been cited by the examiner on form PTO-892 or on a separate information disclosure statement, they have not been considered.

Allowable Subject Matter

4. Claims 1, 2, 4-8 and 10 are allowed.
5. The following is an examiner's statement of reasons for allowance:

Claim 1 has been amended to include the allowable subject matter of original claim 3 as set forth by the examiner in the communication mailed on 8 July 2008.

Claims 2, 4-8 and 10 are allowable for reasons of dependency.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion
